SECTION 1: GENERAL PROGRAM INFORMATION

Mission and Purpose

The Del Oro Jr. Golden Eagles Football and Cheer Program exists to provide a positive and meaningful football and cheerleading experience for the youth of our community. Our mission is to cultivate a wholesome, structured, and safe environment where young athletes can grow both athletically and personally. Through participation in DOJGE, athletes are taught responsibility, integrity, respect for authority, and accountability. We promote strong sportsmanship, teamwork, and pride while continuing the long-standing tradition of excellence associated with Del Oro football and cheerleading.

Welcome to the DOJGE Family

Welcome to the Del Oro Jr. Golden Eagles Football and Cheer Program. We are excited to have you and your family join our organization and look forward to an enriching season ahead.

DOJGE is a proud member of the Sierra Athletic Conference (SAC) and serves youth between the ages of five and fourteen in our community through tackle football, flag football, and cheerleading. Our goal is to provide a strong, positive, and safe environment that encourages youth development through athletics while reinforcing respect, discipline, and education. Participation in DOJGE is intended to be a rewarding learning experience that extends beyond the field and into everyday life.

The success of our program depends greatly on the involvement and dedication of our parents and volunteers. Without their time, energy, and commitment, we would not be able to provide the high-quality experience our athletes deserve. We thank you in advance for your support and look forward to a successful season together.

Additional information regarding DOJGE can be found at www.jrgoldeneagles.com.

Participant Responsibilities

All athletes participating in the Del Oro Jr. Golden Eagles programs are expected to conduct themselves in a manner that reflects positively on their team, their coaches, and the organization as a whole. Participants are required to show respect toward volunteers, coaches, teammates, opponents, officials, and all individuals associated with DOJGE. Good sportsmanship is mandatory at all times. The use of vulgar language, fighting, tantrums, or any form of unsportsmanlike conduct will not be tolerated and may result in disciplinary action, including suspension or removal from the program.

As representatives of the DOJGE, athletes are expected to conduct themselves with pride and integrity both on and off the field, regardless of the outcome of a game or competition. Academic responsibility is also a requirement of participation. Athletes must maintain a minimum grade point average of a "C" or 2.0 and continue to complete assigned schoolwork throughout the season. Coaches may request periodic grade checks to monitor academic progress.

Athletes are responsible for the proper care of all issued equipment and must immediately notify a coach if equipment becomes damaged. Attendance is critical, and participants must notify their coach in advance if a practice or game will be missed. Hydration is essential to athlete safety and performance, and all athletes are expected to drink water before, during, and after practices and games. Sugary drinks and sodas are strongly discouraged.

Athlete Conduct and Behavior Expectations

All athletes are expected to represent themselves, their team, and DOJGE with integrity at all times. This includes conduct at practices, games, competitions, school, and online. Behavior involving illegal substances, harassment, poor sportsmanship, inappropriate social media activity, or repeated misconduct may result in dismissal from the program without refund.

Parent and Guardian Responsibilities

Parental involvement plays a significant role in the success of each athlete and the overall health of the program. Parents and guardians are expected to support DOJGE by maintaining a respectful and positive attitude toward athletes, coaches, officials, volunteers, and board members. Children learn by example, and respectful behavior from adults helps reinforce the values we aim to teach.

Spectators are required to remain in designated areas during practices, games, and competitions. Sidelines, practice fields, and locker rooms are off-limits to parents and spectators. During football practices, parents may remain on the blacktop or designated areas but are not permitted on any grass or field surfaces. Cheer practices are CLOSED to all spectators, including parents and siblings, in order to ensure the safety and focus of the cheerleaders.

Parents are responsible for providing transportation to and from all practices, games, and events, as well as ensuring timely drop-off and pick-up. If academic concerns arise, including grades falling below a "C" average or homework becoming an issue, parents are expected to contact the Head Coach through their Team Parent to determine an appropriate course of action. Head Coaches may request copies of report cards during the season.

Important cheer parent information for the 2026 season will be addressed at the parent meeting on March 22, 2026. The slides can be found here:

- ☐ [2026 Cheer Parent Meeting](#)

Parent and Guardian Code of Conduct

By enrolling an athlete in DOJGE, parents and guardians agree that their conduct reflects directly on the organization and that they are expected to promote the program in a positive and respectful manner. All required registration paperwork must be completed by the designated deadlines. Failure to submit paperwork may result in an athlete being sidelined until all requirements are met.

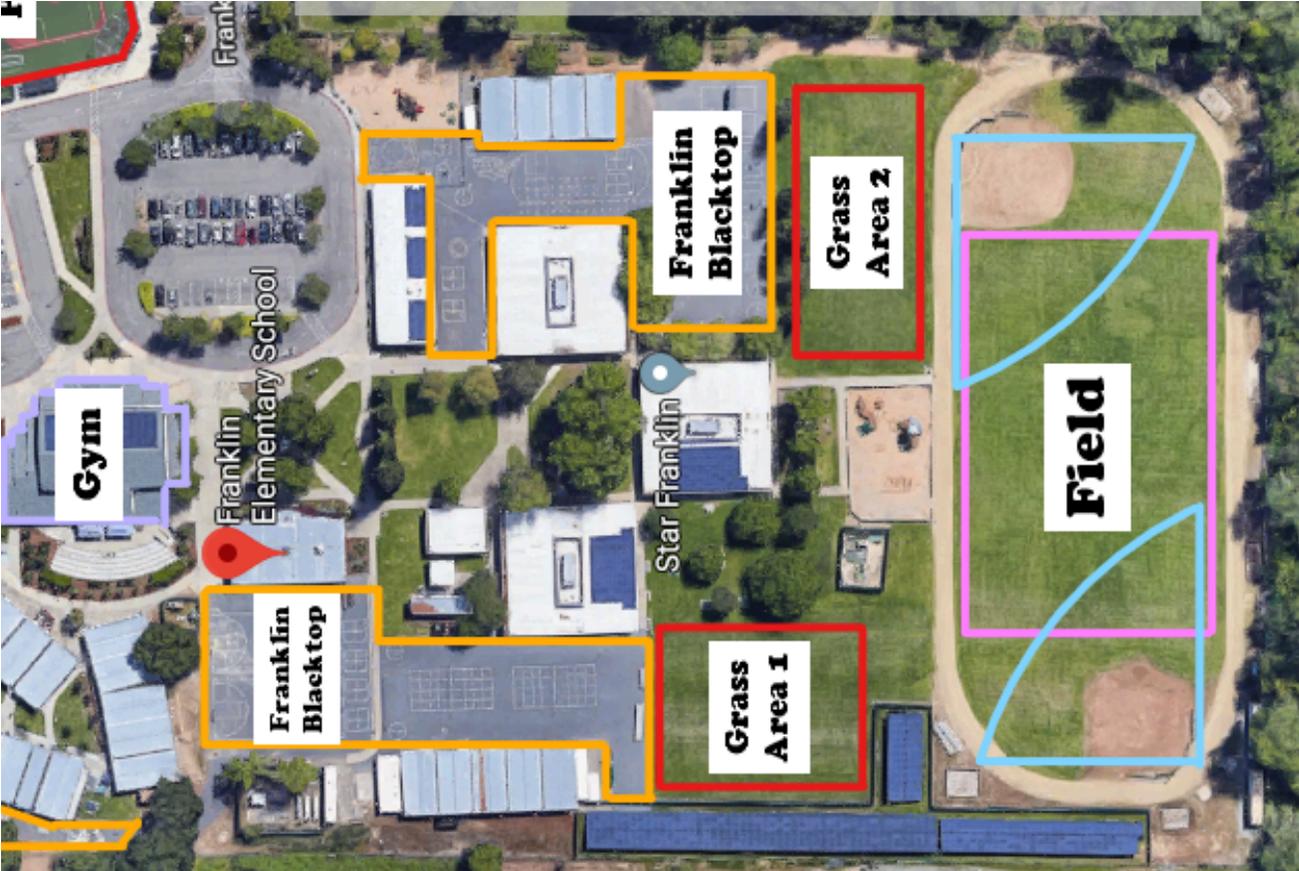

Parents and guardians agree to communicate courteously with members of the organization, league officials, referees, coaches, and opposing teams. They acknowledge and respect the authority of the DOJGE Board and understand that they are non-voting members of the organization. Parents further agree to encourage accountability in their athletes and to never condone inappropriate behavior.

Failure to adhere to the DOJGE Bylaws, Parent Handbook, or SAC rules may result in disciplinary action, including removal from practices, games, or events, suspension, or permanent removal from the program without refund. Documentation of any incidents will be maintained by the DOJGE Board.

Practice Attendance and Discipline

Attendance at practices is critical to athlete development and team success. Missed or late practices may result in disciplinary action at the Head Coach's discretion, including reduced playing time or benching for games.

Football Practice Schedule:

Summer Schedule: 4-Day Practice Dates & Times TBD

School Schedule: 3-Day Practice Dates & Times TBD

Demerit Rule

Players that have missed practice or arrive late to practice can be benched for the following game at the Head Coaches discretion. It is important that parents communicate with the Head Coach if the player/cheerleader is going to miss practice or games.

Football Practice Dress Code

During the days of tryouts players should wear shorts, white t-shirt with last name written across back in black permanent marker, BLACK cleats, black socks. Once equipment is handed out football players should wear equipment issued to them along with a practice jersey. All football players are required to have a practice jersey with their last name clearly printed on the back. A mouth guard is required at all times. Players are required to carry a min. of 1 gallon of water to practice. If your child forgets their practice gear they will not be allowed to take the practice field.

Gameday Arrival:

The day we all have been working for - punctuality is very important! Weigh-ins for football and certification are conducted one (1) hour before game time. The team must certify and/or weigh-in together, hence all participants need to arrive no later than one and a half (1-1/2) hours prior to their scheduled game time.

Football players that arrive after their team has weighed will not be allowed to play. If the opposing team agrees, the player may be allowed to weigh-in at half time and participate in the second half of the game. DOJGE will follow the SAC weigh-in guidelines. Football players are required to show up to the game to weigh-in with the opposite jersey for the game day & game day uniform pants on. Please have your game day jersey on the pads and ready to go. This will ensure football players have all required uniforms for game day

Player Allotment Rule (PAR)

This rule requires that each certified player play a minimum number of eight (8) to twelve (12) plays per game depending on team size. Although coaches will make their

best effort to involve as many players as possible, they are only required to play each player their minimum plays throughout the game. Playing time is generally based on the player's ability to make a positive contribution to the team's efforts.

PAR MONITORS

15 minutes prior to the start of each game, each team shall provide two monitors. These monitors will form two teams, each team consisting of one monitor from each team. Each team will be assigned to one side or the other of the playing field. On the home teams side of the field the visiting teams monitor will be in possession of the home teams' form and on the visitors side the home teams monitor will be in possession of the visitors form. These two teams of parents will need to work together to track and monitor all plays to ensure that the PAR (Play Allotment Rule) is met. Once PAR has been completed, BOTH volunteers sign off on the front of the PAR sheet and return it to that team's Head/Assistant Coach or designated individual.

Five minutes prior to the end of each half, the respective monitors will notify their head coaches of how many players have not completed their mandatory number of plays, and what their jersey numbers are. Final notification shall be with two minutes to go in the game if they still have not complied. If any player fails to play the minimum number of plays, both of the Presidents are to be notified and the jersey number(s) written down in the space provided below. Failure to meet the PAR requirement, by the end of the regulation of the game (not overtime) will result in forfeiture of the game and Head Coach must be suspended for one week, this includes practice.

Football Equipment Handouts

Equipment will be handed out before the jamboree to receive equipment players must submit: Medical release form, spring report cards (8th grade only), birth certificates for all new athletes, registration paid in full, \$300 deposit check & payment or holding check of \$500.00 for volunteer hours.

Football Equipment Return

Equipment must be returned in November (Date TBD, you will be notified through your team parent, Text Alert and Email though Team Sidelines) or your \$500 deposit check will be cashed in order to replace the missing items. The player will not be able to play the following season until we have received a total of \$750 or the equipment. Volunteer Hour Audit will be available at equipment return. If a family fails to complete 12 hours of required volunteering, their \$500.00 holding check will be forfeited.

Uniform Washing Instructions

Football uniforms should be washed soon after each game in cool water. **DO NOT REMOVE PADS** from football pants to wash. You will be charged a replacement fee if pads are removed from pants. This weakens the integrity of the pants. **DO NOT BLEACH**. Allow jerseys and football pants to drip/air dry. Jersey cleaning instruction will be provided when we hand out jerseys

SECTION 3: CHEER PROGRAM

Cheer Team Assessments/Tryouts

In addition to the above information as it pertains to football, cheer will hold the same standard. Additionally, those in 8th grade are not automatically guaranteed a spot on the 14U team. Assessments/Tryouts will be held prior to the close of registration (and afterward if necessary). Should we find ourselves in a situation where we have to make cuts, returners are not guaranteed a spot. Placement on a team will be determined by the cheer board based on league & JAMZ age range, positional needs and skill set. Age restrictions for teams may be made by the VP of cheer based on needs of the program.

Cheer Policy for Medical Injury

If your cheerleader is injured during cheer season, they must provide a doctor's note to the VP of Cheer for the days they are unable to participate in cheer. A medical clearance will be required to return to the sport. Cheerleaders are still required to attend all practice, games and competitions while injured. Failure to attend will count as an unexcused absence. After 6 unexcused absences, the cheerleader will be removed from the team.

In these circumstances, athletes who are ill or injured are still encouraged to attend practice, if physically able, to observe, learn, and support their team. Every athlete's presence is vital to building confidence,
